ABOUT SANKARAA

SANKARAA is a leading CLOUD Business Application Solutions, Implementation, Support and Development service provider, headquartered in Singapore with a dedicated Delivery & Support Center in Sri Lanka. Serving clients across JAPAC and North America, we are the exclusive NetSuite Partner for Sri Lanka and the Maldives.

We help organizations streamline operations, enhance visibility, and drive growth through unified cloud solutions powered by Oracle NetSuite – the World's #1 Cloud ERP.

Through continuous innovation, unwavering focus on customer success, and strategic partnerships, SANKARAA empowers enterprises to modernize their digital core, unlock new efficiencies, and achieve scalable, high-impact digital transformation across industries - expanding confidently across borders. True to our promise, SANKARAA Delivers the better that you Deserve

Our services span Consultation, Implementation, Integration, Support, Education, and Analytics, complemented by a portfolio of value-added SuiteApps that extend and enhance NetSuite's capabilities.

At the heart of SANKARAA are its people — the SANKARAA Buddies — a collective of passionate professionals and partners who embody our commitment to excellence and collaboration.

Guided by the belief that technology should connect people and create possibilities, SANKARAA Buddies operates with a strong community spirit — the “SANKARAA Circuit” — uniting employees, customers, and partners around shared values of integrity, collaboration, and excellence.

SANKARAA CIRCUIT

SOME OF OUR PRESTIGIOUS CUSTOMERS

CUSTOMER TESTIMONIAL

We are now better equipped to pursue strategic global growth. NetSuite has enabled us to be more agile and make timely informed decisions to address the ever changing business demands confidently.

Rayson Lim
Chief Financial Officer
M. Tech

SANKARAA has decades of NetSuite expertise, delivering sustainable, cost-balanced solutions while ensuring business owners stay in full control of projects and emergencies – making it a trusted partner of choice.

Timous Bee
Chief Financial Officer
Helix Leisure Pte

Everything we envisioned as an organization, we found with NetSuite. What truly set Sankaraa apart was their deep understanding of our social impact, giving us the confidence to move forward. We are very happy .

Ryan Perera
Chief Financial Officer
PJFM

SANKARAA, the right people with the right knowledge and the right commitment. When you have them as partners, any ERP system implementation is smooth and can go by the book as per the plan.

Chamka Godamanna
Managing Director
Stelacom

We have successfully implemented NetSuite ERP within the planned period. SANKARAA Tech gave their full support to run the system smoothly and accurately.

S Seevaratnam
Chief Financial Officer
JoLanka

Since 2018, Rocell has been running on NetSuite CRM, with SANKARAA as our trusted partner for implementation and ongoing support. Their expertise has been instrumental in ensuring a smooth transition.
